

AutoCPAP Systems

SleepStyle™ 200 Auto Series

The SleepStyle™ 200 Auto Series is a truly integrated AutoCPAP flow generator designed for use in the home or sleep laboratory, for the treatment of OSA. The SleepStyle™ 200 Auto Series delivers outstanding clinical, patient-care and commercial results due to its innovative SensAwake™ Technology. SensAwake™ Technology senses the critical awake state of patients and reduces the pressure to facilitate the return to sleep.

The features of the SleepStyle™ 200 Auto Series include:

- Auto-adjusting pressure technology for effective titration and long-term treatment
- SensAwake™ Technology to personalize therapy during sleep and awake states
- Ambient Tracking® Plus, patented technology for effective humidification under changing conditions
- SmartStick™ technology to allow download of patient treatment data via removable media
- PerformanceMaximizer™ Software for comprehensive treatment efficacy reporting and patient management
- Fully integrated design for simple and reliable operation
- Combination of Auto and CPAP technology to treat patients in the most suitable mode

Specifications	Description
Dimensions	10.8" x 6.7" x 5.5" (275mm x 170mm x 140mm)
Weight	4.2 lbs (1.9kg)
Chamber Capacity	400mL
Electrical Rating:	
● Supply Voltage	Mains voltage automatically detected, 100-240V
● Pressure Range	4 to 20 cmH ₂ O

Note: Not available for sale in the US, and certain other markets. Contact Fisher & Paykel Healthcare to determine availability in your market.

AutoCPAP Systems

Package content of the SleepStyle™ 200 Auto Series includes:

Product Code	Description	Quantity
HC254	SleepStyle™ 200 Auto CPAP Series with SensAwake™ Technology	1
	Includes:	
	• Carry Bag	1
	• Water Funnel	1
	• Connector	1
	• HC385S Water Chamber - standard	2
	• HC355 Water Chamber - extended life *	1
	• 900HC221 Tube - To fit 0.86" (22mm) conical connector	1
• 900HC240 Filter	1	
• 900HC611 SmartStick™	1	

* Not available in all countries.

Additional accessories for the SleepStyle™ 200 Auto Series include:

Product Code	Description	Quantity
900HC615	PerformanceMaximizer™ Software	1
900HC236	Isolated Serial Adapter	1
900HC323	Serial Cable	1
900HC226	Extension Cable	1
