## WHY A PORTABLE OXYGEN CONCENTRATOR?

Get the independence you deserve with a CAIRE portable oxygen concentrator. Whether it's traveling across the country by plane or car, running errands, visiting family, working in the garden, or attending a baseball game, CAIRE concentrators give you the mobility and freedom to live your life.

## LIVE LIFE WITH NO RESTRICTIONS AND GET THE OXYGEN YOU NEED TO STAY ACTIVE!

- No tanks to carry around
- Never worry about running out of oxygen
- Lengthy battery life up to 8 hours and extended battery options

- Operate anywhere power is available — with wall (AC) or vehicle (DC) power
- FAA approved for use on commercial aircraft
- No complicated filling process
- Easy-to-use interface
- Peace of mind from proprietary clinical features that ensure you always get the oxygen you need
- All products are wearable or easily transported on a rolling cart
